REFERENCE ANY SOURCE IN MLA STYLE

Your go-to handout for MLA style

Use the **table** below to reference **any source** in MLA style (9th edition) in your Works Cited.

- **Every field can be filled in.** However, if information is unavailable, **skip** the field.
- Fields can be included to **emphasize an aspect of a work** you are discussing (for example, you can reference a specific translator, director, or actor).
- The **punctuation** between each field is given in the table. It is always the same.
