

self evaluation

For your final assignment, you will reflect on your experience of participating in the Media Lab course and give an honest assessment of how you performed in the following areas:

Contribution to the class:

- Were you present, punctual, and attentive to each class? How would you assess the quality of your participation? /5

Course work:

- Did you complete all the assignments (listed above and in Lea) and post them on your website? How would you assess the quality of your course work? /5

Presentations:

- Did you do all of the assigned presentations including the project proposal and the final presentation (on or before Dec. 6)? How would you assess the quality of those presentations? /5

Collaborations:

- Did you contribute to anyone else's work or did you have a useful interaction with anyone else? Did you vet your work and ideas with the teacher and respond to the teachers recommendations? How would you assess the quality of your interactions? /5

Post your responses on your blog AND send them to my via MIO
