

2 PLAN: 2G.00- Dawson College
A2 1:50 With 3 @ 8'w x 8'h panels closed

SCOTT MILLAR ARCHITECTE MOAQ

Main Entrance at 4001 de Maisonneuve Blvd. West

Note: There is a picture rail mounted at 8'-5" and there are cables & clips in the gallery. There are electrical outlets below & above the wall panels & on the ceiling.

Note: All walls are covered in drywall over 5/8" thick plywood. TV monitors and other loads can be supported.

On 'display walls' 5 through 9, 10" wide cantilevered shelves can be added to a 2' x 2' grid.

The ceiling is painted reinforced concrete. The floor is covered in engineered cherry strip hardwood and care must be taken w.r.t. to displays, sculptures, etc.
