FRENCH As part of the requirements for any DEC program, students must complete two French courses: one from a group of courses called "Block A", the second from a group of courses called "Block B". Students must register for the Block B course that is appropriate for both their level and their program. See the chart below. Students who have not completed a French course at Dawson College or at another public English CEGEP, and have not passed Sec. V French in the last three years, must write a placement test before registering. See page 8
