FREQUENTLY ASKED QUESTIONS

What is a permanent code?

The **Quebec Permanent Code** is a government ID number created by the **Quebec Ministry of Education**. It is a unique identifying **code** assigned by the Ministry to all students who attend an educational institution in **Quebec** regardless of where they come from and regardless of their residency status.

How do I create a temporary permanent code?

In order to access the registration system you will need your Dawson ID number and your Permanent Code. If you have not studied in a Quebec high school or CEGEP, you will not yet have a Permanent Code. You can use the following as a "temporary" Permanent Code: Enter the first three letters of your last name, the first letter of your first name (as it appears on your Birth Certificate) and your birthday (day/month/year). **For students born in the year 2000 or later make sure to add 62 to the day of birth and add 25 to their birth month. Women born prior to 2000 must add 50 to their birth month.**

Example:

John Smith 09-05-1986 = SMIJ090586
Alex Smith 09-05-2000 = SMIA713000

Example:

Joanne Smith 07-09-1990 = SMIJ075990
Melanie Smith 07-09-2000 = SMIM693400

What is the deadline to withdraw or drop a course?

You may officially **withdraw** from a course until **Friday, September 18, 2026**. Courses withdrawn by this date will not appear on your record. In order to withdraw from a course, you must fill out a Course Withdrawal Form online. Please consult your MyDawson Portal under "Registration and Course Change / Course or College Withdrawal / Drop Form".

You may **officially drop** a course until **Monday, November 2, 2026**. Courses dropped by this date will appear on your transcript with an AE remark (Abandon Etude). In order to drop a course, you must fill out a Course Drop Form online. Please consult your MyDawson Portal under "Registration and Course Change / Course or College Withdrawal / Drop Form".

When do classes begin?

Classes begin on **Thursday, August 20, 2026**.

How much time do I have to pay my fees?

Fees must be paid in full upon registration. Students who do not pay their fees will have their **course registration cancelled and will remain liable for nonrefundable fees. Access to Omnivox services and waitlists will be blocked.** If a student registration is cancelled for nonpayment of fees, **the student must reapply in order to return in a subsequent semester.**

When does registration begin and end?

Registration begins **August 11, 2026** at your given appointment time and ends **August 19, 2026** at NOON. See details on page 3.

How do I get help if I have a problem registering?

If you are having difficulty with your online registration, please fill out a REGISTRATION HELP FORM found in the MyDawson Portal, under "Registration and Course Change/Registration Help Form". An operator or advisor will contact you as soon as possible and no later than two working days after your request is submitted.

Begins Tuesday, August 11 at 1:30 p.m. and ends on Wednesday, August 19, 2026 at NOON.

How will Law 14 impact my studies?

IMPORTANT: Students beginning a NEW DEC program must meet the requirements of Law 14 as follows:

If you hold a Certificate of Eligibility for English Instruction (COE-Y):

- You must pass the English Exit Exam (EEE) to graduate.
- You need to take three program courses in French OR three additional French language courses to improve your French skills, depending on your level of ability. These courses are in addition to the two French second language courses required as part of General Education requirements, totaling five courses.
- You can register for the EEE when you are taking your third English course (603-101, 603-102, or 603-103) and have successfully completed the other two courses. See **Chart 1** below.

If you do not hold a Certificate of Eligibility for English Instruction (COE-N):

- You must pass the French Exit Exam, known as “Épreuve Uniforme de Français” (EUF), to graduate.
- To prepare for the EUF, you will complete three French literature courses. Additionally, you need to take two program courses in French, totaling five courses. Depending on your placement level, you may also be required to complete additional preparatory French courses before taking the required French literature courses.
- You can register for the EUF when you have successfully completed your first two French courses (602-UF0-MQ and 602-UF1-MQ) and are taking your third French course (602-UF2-MQ). See **Chart 2** below.

It is the student's responsibility to ensure that he or she is officially registered and attending the correct course and section, i.e. the same course and section that appear on the student's registration form or individual schedule. **Students who do not attend the correct course and section will not receive credit for work done.**

CANCELLATION OF COURSES

The College reserves the right to cancel any course sections for which enrolment does not reach the required number of students. Should a course be cancelled students will be contacted and informed of alternative courses that are still available, or offered a full refund.

COURSE WITHDRAWAL

You may officially withdraw from a course until Friday, September 18, 2026. Courses withdrawn by this date will not appear on your record. In order to withdraw from a course, you must fill out a Course Withdrawal Form online. Please consult your MyDawson Portal under "Registration and Course Change / Course or College Withdrawal / Drop Form". Failure to attend a course does not constitute an official course withdrawal and will result in receiving a failing grade unless dropped by the Drop Deadline.

COURSE DROP

You may officially drop a course until Monday, November 2, 2026. Courses dropped by this date will appear on your transcript with an AE remark (Abandon Etude). In order to drop a course, you must fill out a Course Drop Form online. Please consult your MyDawson Portal "Registration and Course Change / Course or College Withdrawal / Drop Form".

ATTENDANCE VALIDATION

All students must confirm their attendance each semester after the course drop deadline. Failure to attend a course or courses may affect your status and may result in part-time fees being applied as per the Ministry of Education regulations. Please note that indicating that you are not attending a class is not the same as dropping a course. The course drop form must be completed to drop a course.

INCOMPLETE (IN) FOR AN AUTHORIZED ABSENCE

Once the official course drop deadline has passed, students may request an authorized absence to obtain an incomplete (IN) on their transcript. An authorized absence request must meet both of the following criteria:

- a. The situation was due to a medical or other issue of a grave and serious nature that was beyond the student's control (e.g., illness, accident, illness or death of an immediate family member).
- b. The situation prevented the student from attending or participating in classes:
 - i. for at least three consecutive weeks of a regular course (including the final examination period, if applicable); or
 - ii. for at least 20% of a summer, intensive, or AEC course; the affected classes must be consecutive.

Students must provide appropriate documentation to support their request. Authorized Absence request forms are available on the Dawson website. Students must submit their request before the end of the semester concerned (i.e., by the Grade Deadline date for that semester or term) or, for reasons judged exceptional, no later than one year after the end of the semester concerned. See Appendix IX of ISEP (Institutional Student Evaluation Policy).

CHANGE OF ADDRESS

Please advise the College of any change to your address at www.dawsoncollege.qc.ca. Click on MYDAWSON, then on Personal file under My Omnivox Services. This will allow us to update your Dawson student file, and also to contact you should there be any change to your course schedule (e.g. course cancellation).

CLASS CANCELLATIONS

If a teacher has to cancel an individual class during the semester the cancellation is usually posted on the Dawson website. Check the course and section number under Class Cancellations on the home page.

ENGLISH EXIT EXAM (EEE) & L'ÉPREUVE UNIFORME DE FRANÇAIS (EUF)

You must hold a *Certificate of Eligibility to English Instruction* to write the English Exit Exam (EEE). All other students must write l'épreuve uniforme de français (EUF).

The English Exit Exam (EEE) is a four-hour examination that takes place twice a year, in May and December, with a make-up test in August. All students completing a program of study are required to pass one of these examinations in order to obtain a DEC.

Students are eligible to write the English Exit Exam (EEE) after they have successfully passed the three Block A English courses: 603-101, 603-102, and 603-103. However, students may register for the exam if they have only 603-103 left to complete and are currently taking it.

L'épreuve uniforme de français (EUF) is a 4.5-hour examination that takes place twice a year, in May and December, with a make-up test in August. All students completing a program of study are required to pass one of these examinations in order to obtain a DEC.

Students are eligible to write l'épreuve uniforme de français (EUF) after they have successfully passed two of the three preparatory courses (602-UF0-MQ, 602-UF1-MQ) and be in the process of completing the third (602-UF2-MQ) at the time of registration or have passed all three courses.

The next EEE and EUF will take place on Wednesday, December 16, 2026. All students wishing to write the exam must register on-line between October 12 and 30, 2026. For more information about the EEE or EUF, please contact the Exit Test Coordinator by email at eet@dawsoncollege.qc.ca, or visit the webpage <https://www.dawsoncollege.qc.ca/registrar/exit-exam/>.

COLLEGE POLICIES

ACADEMIC STATUS

Continuing Education students, should they wish to become regular full-time day students, must apply through the Admissions Office before specified deadline dates.

STANDING AND ADVANCEMENT

Students in Regular Programs including AECs (full-time and part-time) and Daytime Springboard to DEC Programs

To be in good standing and to register unconditionally, students must meet the requirements of the College's Standing Policy, as per Bylaw 8, and the requirements of their particular program's Standing and Advancement Policy. If the program's policy is more stringent than the College's policy, it (DEC or AEC) takes precedence. The Bylaw 8 can be found on the College's website.

<https://www.dawsoncollege.qc.ca/credit/general-information/standing-and-advancement/>

Students denied permission to register under either of these policies have a right to appeal to the College's [Academic Standing Appeals Committee](#).

Students in Continuing Education Programs Not Leading to a DEC or an AEC

To be in good standing and to register (unconditionally), students must have passed 50% of their courses for the academic year (not including Summer School).

Students who do not meet the condition above will normally be permitted to register for a maximum of one course per term during the following academic year.

This restriction will be removed for the winter semester for students who pass the fall course.

Changes to a restricted course load can be authorized only by the Registrar or the appropriate dean (or delegate).

Students who are on a restricted course load and who do not pass their winter course may only register with the permission of the appropriate dean (or delegate).

PROMOTION OF ACADEMIC SUCCESS

The College's Board of Governors has approved Bylaw 8 concerning the promotion of academic success. This Bylaw addresses certain additional requirements that full-time students in a program will have to meet if they have failed courses. More information is available on the College's website under "About Dawson College".

INSTITUTIONAL STUDENT EVALUATION POLICY (ISEP)

Dawson College is committed to maintaining standards of academic excellence and promoting equitable and effective evaluation of student learning. The Institutional Student Evaluation Policy (ISEP) outlines the roles and responsibilities of students, teachers and administrators with regard to student evaluation, and sets out the rules about assessment, grades and academic standing.

The Dawson College Institutional Student Evaluation Policy (ISEP) can be found on the College's website.

<https://www.dawsoncollege.qc.ca/governance/institutional-student-evaluation-policy/>

CODE OF CONDUCT

Everyone who comes to work, attends class or visits the College campus has a right to not only a safe and healthy environment, but to be treated with respect and civility.

These principles are the basis of Dawson's Code of Conduct Policy that applies to the entire Dawson Community, including students, employees, as well as visitors and contractors who come to the College.

The Code of Conduct can be found on the College's website.
