# Plan B – Life Insurance

## Participant's life insurance plan

The participant's life insurance plan is only accessible **if the participant is covered under the health insurance plan (Plan A) or is exempt.**

Age upon death	Benefits payable in case of death		
	Option 1	Option 2	Option 3
Under age 60	\$20,000	\$40,000	\$60,000
Age 60 to 64	\$15,000	\$30,000	\$45,000
Age 65 and over	\$10,000	\$20,000	\$30,000

Accidental death & dismemberment insurance is included with options 1, 2 and 3.

Life Insurance benefits are payable regardless of the cause of death.

**Options 2 and 3:** These options allow participants to respectively double or triple the amount of coverage offered under Option 1. To be eligible, participants must have, at the time of retirement, life insurance coverage (under the employees' group insurance plan) for an amount that is higher or equal to the one offered under this plan; otherwise, the participant can only have access to Option 1.

## Spouse's and dependent children's life insurance plan

This plan is only available to **participants who are enrolled in the participant's life insurance plan.**

For a spouse	\$5,000
For a dependent child (aged 24 hours or more)	\$5,000

In the case of a participant insured under a family coverage status who does not have a spouse (single-parent family), the amount payable upon the death of a dependent child (aged 24 hours or older) is \$5,000 plus an amount equal to \$5,000 divided by the number of children in the family upon the death of the dependent child.

# Monthly Premium Rate Schedule

## Applicable as of January 1, 2017
