

Download yourself some downtime...

## Materials you will need...

1. Read over these instructions
2. Printout the template. You can reuse a sheet of paper or card stock
3. Have a palette ready. I use an old white or glass plate
4. Canvas or canvas board or thick cardboard 8"x 10" or 8"x 8"
5. 3 acrylic colours: one light (titanium white), one mid tone (blue, red, green or purple) and one dark colour (ultramarine blue or black)
6. Brushes in assorted sizes
7. Scissors
8. Pencil
9. Water container
10. Rag or old cloth

## Preparation Instructions:

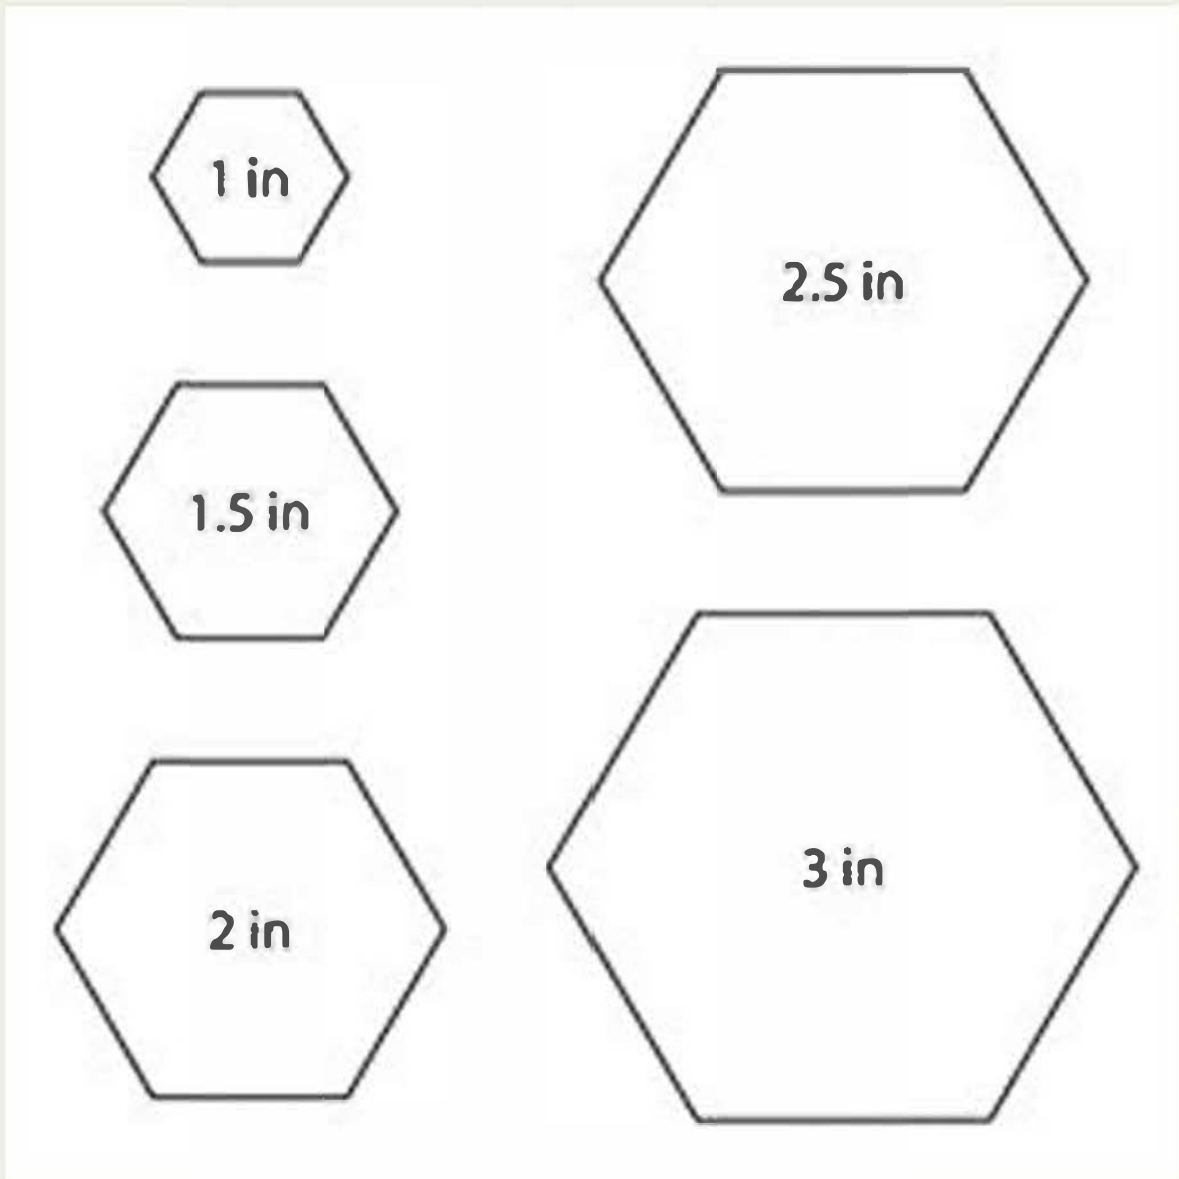

- **Step 1.** Prepare your work space, cover your work surface with a plastic table cloth or white garbage bag. You may want to tape it down to keep it from moving.

**PREPARE THE FOLLOWING IN ADVANCE...**

- **Step 2.** Assemble all of your materials. (see list) and print out your template

**YOU ARE READY TO BEGIN YOUR ARTLab  
chez vous ZOOM artclass**

**Print this template out actual size....**

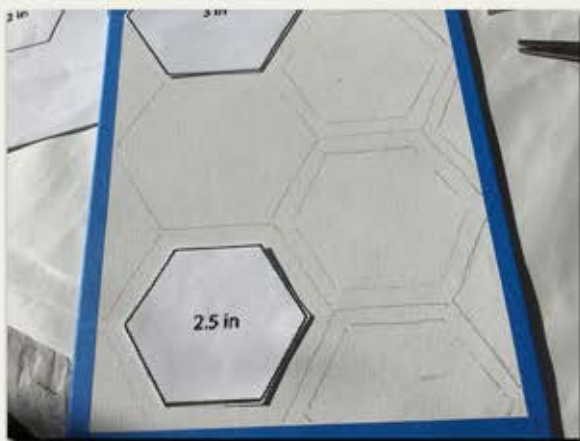

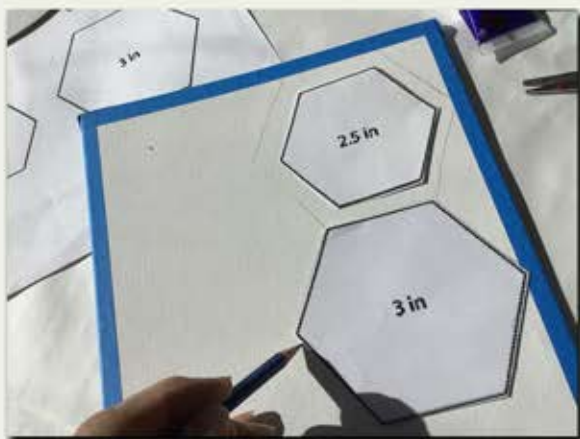

**Follow these steps...**

**Step 1** - Prepare your materials

**Step 2** - Print & cut out this template

Step 3

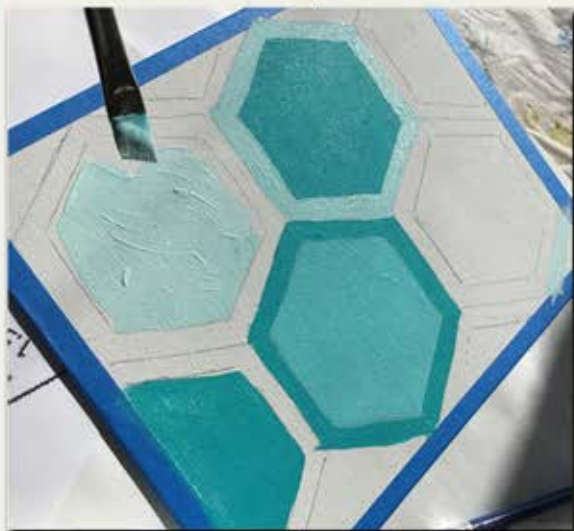

### Tracing & Painting Instructions:

- **Step 3.** Trace out your honey comb larger outer smaller inner
- **Step 4.** begin with lighter colours squares out a drop of your middle tone and a drop of your light tone
- **Step 5.** begin to paint in carefully. Painting in alternately the inside and the outside of the honey comb
- **Step 6.** repeat step 4 using your darker paint colour. In my example, I used Ultramarine Blue acrylic as my dark colour
