

**DAWSON COLLEGE NURSING  
LETTER OF INTENT: GUIDELINES  
FALL 2020**

The purpose of the Letter of Intent is to give you an opportunity to tell us about some of your skills and experiences that are relevant to the Nursing program, and also, to share you plans and goals for success. Please discuss ***all*** of the categories listed below in your, ***500 word***, letter. Your letter will be evaluated on clarity, expression of ideas, as well as sentence and paragraph structure.

Guidelines:

- Provide a general description of yourself including your home, school and work responsibilities.
- Use two examples to describe two of your best personal qualities that will help you become successful in nursing.
- Describe how you plan to manage your school, work and family life while in the Nursing program?
- Provide an example of your role on a team and how it will help you in the Nursing program.
- Describe a setback you have experienced, how you managed it and what you learned about yourself.
- Describe an activity that you have participated in and how it will help you in the Nursing program.
- Using the following scale: Excellent=3; Good=2; Poor=1; Inadequate=0
  - Rate your comfort level in speaking and reading French
  - Rate your comfort level with speaking and reading English
