

THE CLIMBER

DR. HARRY ROSEN

Please join us for the inauguration of The Climber sculpture on Thursday, September 14, 2017 at 11 a.m. on the grounds of Dawson College, in front of the Theatre at 2100 Atwater.

This addition to the College landscape is a generous gift from Dr. Harry Rosen, an artist whose work has graced the entrances of the Montreal Children's Hospital, the Jewish General Hospital, the Segal Centre for the Performing Arts, the YM-YWHA, the Westmount Y, among other notable Montreal landmarks.
