

ASSIGNMENT #2 Stories Matter

For Wednesday's Sept 9 asynchronous class, I want you to do a moodle forum post based on your reading of Jacqui Banaszynski, "Stories Matter" (in your course pack).

Answer these 2 questions:

1. Why, according to Banaszynski, do stories matter?
2. Tell us a story that you have heard in the last year (from people, or from the media) that has affected you personally. Briefly tell the story, and then say how it affected you, emotionally and intellectually. How did this story shift your world view?

You are free to write however you wish. You don't have to write "academically." Have a little fun. I won't mark the quality or grammar of your writing; I will only evaluate the amount of work and thought that you put into the exercise.

You will receive a mark out of 5 for this post. As a rough guide:

- For 3.5/5: write 400-500 words
- For 4/5: write 500-650 words
- For 4.5/5: write 700+ words

Your post is due by the end of the day on Friday, Sept. 11.
